April 2014

President's Report

Dear Members

Last month's meeting nominations for retiree club offices were held.

The March newsletter had an error for the date of the "Spring Fling" at the Westbury Manor. The correct date is May 20th 2014, and tickets are forty dollars per person.

The Retiree's Club student scholarship is being given this year once again thanks to the exceptional hard work of Mel Farrell, with the Super Bowl Football pool. Please find the application enclosed with this mailing. Good Luck to all applicants.

Let it be noted that Local 28 will have a union meeting on Long Island on Tuesday April 15, 2014, at the American Legion Hall, in Albertson located on Willis Avenue at 6:00 pm.

Stan Bernstein is recovering from his surgery, give him a call if possible.

Until the next newsletter Stay Well

Artie Tyburski
