Presidents Message

March 2021

Dear Brothers and Sisters:

I hope you and your families are doing well during these difficult times.

Unfortunately, we have not been able to have any meetings or Club functions or mailings for the last year due to Covid-19 and the lack of availability of a venue to conduct these.

Membership dues have been waived for 2021 for these reasons. In conversations with many of our members, especially the older brothers, we feel that until everyone is vaccinated it would be safer to wait to resume meetings and functions. Hopefully we can get back on track by September.

Attached is information for vaccinations in New York State that may be helpful in getting an appointment if you have not already done so.

Fraternally yours,

Fred Amato

President
