Presidents Message

July 2021

Dear Brother and Sister Members:

Hopefully everyone is doing well.

As I stated in the last newsletter on the Retiree's website, membership meetings will resume on **Wednesday, September 22, 2021** at 11:00 a.m. at the American Legion Post #144 located at 730 Willis Ave., Williston Park, NY.

Also, I am happy to announce that our fishing trip is back and scheduled for **August 19, 2021** aboard the Bay Princess Fishing Boat Charter in Captree State Park. More information to follow. Please call 631-656-3308 for information and to **RSVP by August 6th** so I can let the Captain know how many fishermen and ladies will be attending. I have to guarantee at least 30.

As stated before, dues for 2021 have been waived. Any member who paid dues for 2021, their dues will be applied to 2022. Dues for 2022 will be due by January 1, 2022.

We are slowly getting back on track to once again enjoy the Club's functions, and most importantly, the comradery and friendships we have made throughout the years as Local 28 Sheet Metal Workers.

Thank you for your continued support.

Fraternally,

Freddy Amato
